the
Father's heart

There is a place for you in the Kingdom of God. Listen. Can you hear it? A clarion call is going out and God is calling His children into who He made them to be. We are living in a strategic time and you are made to be part of it all. You were born at the exact timing of the Lord, not too early, not too late. The time is now. Jesus said “let those who have ears to hear let them hear.” Believers have been marked and their names have been set in the book of life since the creation of the world. It is time to take your place in the fullness of who God called you to be.

The keynote speaker for this event, **Davies Malembeka**, is an anointed teacher and preacher, unfolding the Word of God with passion and power. He operates powerfully in the prophetic and is called to bring healing and restoration to the nations. He currently is serving as an associate pastor in York, NE.

Tim & Darla Klopfenstein of Rehoboth Restorative Ministries are called to bring healing, restoration & deliverance to the Body of Christ worldwide. They minister through intercession, worship and teaching. Part of their call is to see believers walk in the fullness of who God made them to be. In their Ministry they are pressing in for all believers to grab hold of their inheritance in Christ Jesus. They are marked with breakthrough in their own lives and are set in re-digging the ancient wells of the Lord in the nations.

There will be various breakout sessions and speakers. Among them will be **Tammi DeMers** of Kingdom Principle Services – vision resource ministry. She brings dynamic insights into the Christian walk in the hour that we are living. She draws deeply from her life as a single parent, home schooling, work and business owner. She lives a refreshing, no compromise life style and is dedicated to worshiping God in spirit and in truth.

Tammi DeMers and Tim and Darla Klopfenstein will be sharing at the break out sessions. We also will have, among others, long time Lincoln residents Karen Bowling and Nancy Dietrich. Speaking in confidence about their journey of advancing the kingdom of God through devotion and prayer.

Join us for this cutting edge conference on finding your place and going forth with boldness and purpose. Listen to what the Lord is saying. See what God is doing. There is a fresh impartation. “In all you're getting, get understanding” (Prov. 4:7) Walk in who YOU were made to be.
